RE: Proposed Items for the Session Agenda

As stated in the Southern California Conference Bylaws (Section 3.3.1) voted on May 20, 2007, my office is reminding you that your church has the opportunity to submit a recommendation for an item to be placed on the agenda for the upcoming Consistency Session. Any item submitted at the Session time, at the last minute, would be very difficult to be considered due to the Bylaws stipulations. Therefore, we invite you to present and discuss this matter with your church delegates, church board and/or the entire church in business session.

3.3.1 Proposed Agenda Items

No later than eight (8) weeks prior to this Session, a church may submit to the executive committee proposed agenda items which have been approved by either a majority of its (i.) delegates, (ii.) church board, or (iii.) the church in business meeting. The president, with the advice and consent of the executive committee, shall establish the agenda for the session.

The Conference Executive Committee will meet on Tuesday, March 29, 2011. **Agenda items for consideration must reach my office no later than Monday, 21, 2011.**
