Welcome to the SCC 63rd Session website.

In this new era of digital communication, all Session materials and reports will be available on this website to the members and delegates. It is the desire of the conference administration to make it easy for you to access the information. Delegates should plan to print out the materials and reports on this site and bring them with them to the Session, since we will not be printing and assembling notebooks of these materials as we have done in the past.

The Session will be held at the White Memorial Church on Sunday, May 15, 2011 beginning at 7:55 a.m. Please pray for God's leading as the various committees do their work in preparation for the Session. It is our desire to know God's will for the leadership of SCC as we move into the next four years.

Thank you for praying for the meetings, the delegates and the participants as we prepare for the Session. Your prayers are important!

God Bless you,
Larry L. Caviness, President
